Wish List for Girl Scouts of Eastern South Carolina

Our camp locations and facilities are always in need of equipment and supplies. With over 10,000 members, we know we have talented parents, friends and families out there who can help us. Please share a copy of our "Wish List" with your troop, service unit, neighbors and anyone you think may be of assistance. If you or someone you know is a licensed contractor or works for a company that can donate needed materials, then let us know!

** Due to safety concerns, all professionals need to be licensed and all equipment new (used items are considered on a case by case basis). If you or anyone you know works in these areas and can help with their services or donated materials, please contact Rachael MacQueen 843.552.9910. Troops or service units are encouraged to donate supplies or funds to help in renovations. Major contributions will be recognized in various ways.

All donations are tax deductible. We will be happy to give you a receipt for your donation. You will be listed in the annual report, unless you ask to remain anonymous.
