

Hello Leaders!

It's time for Early Bird registration for all Girl Scouts for the 2011-2012 membership year! Please remember that *Safety-Wise* requires that each troop register a **minimum** of two adults (leader and assistant leader) with each troop.

If you are "Early Birding" new girls in your troop, and they are planning to participate for the remainder of the 2010-2011 membership year they will need to register for both years.

Service Units will receive \$1.00 for each girl that registers Early Bird by June 30th, 2011. Checks will be mailed to the Service Unit Chairs to be deposited in the Service Unit checking account.

As a special incentive, all girls registering Early Bird for the first time will receive a <u>free</u> Early Bird patch plus a year rocker, and all re-registering girls will receive a year rocker to add to their patch. **The deadline for Early Bird registration is June 30, 2011**.

Please fill out the attached patch order form and return it with your completed registration packet to include the dues summary form and *payment of \$12 per registration* to your Field Director, the Florence Service Center or the North Charleston Service Center.

Your leadership ensures that the girls in your troop will enjoy another rewarding and fun-filled year in Girl Scouting. *We appreciate you and everything you do for Girl Scouts!*

With great leaders like you, Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.
