## Introducing...Ancient Egyptian Overnight!

The South Carolina State Museum offers a camp-in season full of discovery and wonder! Campers will unearth the mysteries of the ancient civilization of Egypt and its most celebrated boy king: Tutankhamun (or King Tut as he has been known since the historic revelation of his tomb in the 1920's). Campers will be thrilled to see replicas of the young pharaoh's magnificent state chariot, spectacular funerary mask, mummy case, and royal mummy. And so much more awaits campers on this overnight journey.
